## UNSPENT YOUTH

Friday, October 12, 2018

6:30 PM

*Unspent Youth* is a 7-member folk revival ensemble that serves as 317 Main Community Music Center's **Deep Roots** ambassador band. The players first met one another at the music center in 2016, bonding over a shared passion for the voices that shaped their generation such as *Peter, Paul and Mary*, *Bob Dylan*, *Tom Rush* and the *Kingston Trio*. The name *Unspent Youth* speaks to their own coming of age story. Rather than bemoaning a misspent youth, these seniors spent their younger years working to finish college and grad school, raising families and building careers. They say they are now loving the chance to explore more fully the music which has always moved through their lives.

Invite a friend and come enjoy a great cup of coffee, hot chocolate or tea and live music! This is a family friendly event, all are welcome. Free Will Donations Accepted. FMI: 781-3413 or [falmouthcongregationalchurch.org](http://falmouthcongregationalchurch.org).
